MEMORANDUM FOR HQ AFDPO/PP

FROM: HQ AFCAWF
203 W Losey St Room 2100
Scott AFB IL 62225-5222

SUBJECT: Certificate of Networkiness Update for Content Management System
(CMS) Phase I (formerly PureEdge Internet Commerce System (ICS))

1. PureEdge ICS has been renamed Content Management System (CMS). We have determined that Content Management System (CMS), for use on the SIPRNET, is consistent with the existing certificate of networkiness CON-02-0071, PureEdge (ICS) Viewer and Designer Phase I. We reviewed the provided program office documentation and find this revision does not change the security, supportability, and interoperability of the original certificate.
2. This determination is for this phase only. The PM must notify HQ AFCAWF of any subsequent releases or changes to the system's security, interoperability or sustainability to determine if a new networkiness assessment is required. Please coordinate further networkiness actions with the point of contact listed below.
3. The HQ AFCA point of contact for CMS is Mr. Don W. Miller, HQ AFCAWFSL, DSN 779-6848, e-mail afca.wfsl@scott.af.mil.
