Version 1.3, CoN3-SCD01310-160903-00-0

1. Our assessment of the Certificate of Networthiness (CoN) determination checklist for Content Management System (CMS) version 1.3 indicates it does not adversely affect the Air Force Air and Space Terrestrial Communications Network. Therefore, completion of a formal SPCA and NetRA are not required for version 1.3.
2. The CoN number issued above signifies this IT capability has been subjected to an assessment sufficient in depth to support the stated determination. Any changes to the operational posture of this capability will require a networthiness assessment before such changes may be implemented.
