SUBJECT: Networthiness Assessment for Content Management System (CMS)  
Version 1.4, CoN3-SCD01310-270204-00-0

1. Our assessment of the CoN Determination Checklist for CMS Version 1.4 indicates it does not adversely affect the Air Force Terrestrial, Air and Space Communications Network. Therefore, completion of a formal SPCA and NetRA are not required for CMS Version 1.4. The CoN number issued above signifies this IT capability has been subjected to an assessment sufficient in depth to support the stated determination. Any changes to the operational posture of this capability will require a networthiness assessment before such changes may be implemented.
2. This determination does not preclude the mandatory DoD requirement for development and maintenance of the System Security Authorization Agreement (SSAA) and the Command, Control, Communications, Computer, and Intelligence Support Plan (C4ISP).
3. My point of contact for CMS is Don W. Miller, HQ AFCAWFSL, DSN 779-6487, commercial (618) 229-6487, e-mail: afca.wfsl@scott.af.mil.
