This supplement implements AFD 23-2, *Supplies and Materiel Management*. This supplement does not apply to the Air National Guard (ANG) or US Air Force Reserve (USAFR) units and members.

SUMMARY OF REVISIONS

This is a new publication and must be thoroughly reviewed.

PACAFI 23-204, 14 August 2000 is supplemented as follows:

7.1. (Added) Organization code 742 is established for deployment bag requirements.

8.1. (Added) (IC 01-1) The Chief of Supply (COS) declines the option to keep a 10% backup stock of "A" and "B" bags.

10. The wing commander elects the option to store deployment bags at the following locations: "A" bags will be maintained in Base Supply's Mobility Element. "A-1" and "B" bags are maintained by the using organizations. The wing commander elects the option to centrally store "C" and "C-1" bags in Base Supply's Mobility Element. Eielson elects the option to have "B" bags issued to personnel. Organizations will maintain an inventory of "A-1" and "B" bags and provide a copy of the inventory to the Base Supply Mobility Element no later than 1st of March, June, September and December. "A" bags are issued from the Mobility Element and "A-1" and "B" bags are issued from the using organization. Organizations will procure "B" bag non-retention items using the Government Purchase Card.

12.2. The wing commander elects to have deployment bags stored by the COS bulk shipped. NOTE: Protective masks will be maintained and issued by the Mobility Element.

15.2.1. (Added) Canisters will be stored in "C" bulk and "C-1" mobility bags.

15.3.3. The wing commander elects the option to have the Mobility Element maintain and issue masks.

15.3.3.3.1. (Added) Mobility Element will perform required mask inspections and annotate DD Forms 1574 Serviceable Tag. Masks will be hand receipted to all personnel who are tasked for mobility based on availability.

15.4. The Chief of Supply elects the option to have using organizations maintain their own training gear.

15.5.1. (Added) The Mobility Element will procure and store separately special sized clothing until individual is in receipt of Permanent Change of Station (PCS) orders. Issue special sized equipment to personnel for household move, turn-in equipment at gaining mobility element.

15.5.2. (Added) Personnel processing in mobility line will hand carry their B-bags (Arctic Bag), A-1 (Individual Protective Equipment), personnel hygiene items and gas mask.

24. Canisters will be stored in "C" bulk and "C-1" mobility bags.

26.5. (Added) Process the lot update feature in the Mobility Inventory Control and Accountability System (MICAS). This will highlight items in bags that have expired and will list bags with assets expiring within 4 months. Mobility will replace expired items immediately.

Attachment 1, Note I. (Added) 8465-01-033-8057, Sleeping Bag, has been discontinued and replaced by 8465-01-01-445-6274, Modular Sleeping Bag System.

JAN-MARC JOUAS, Colonel, USAF
Commander
