Supersedes AFI 33-114/419 FW Sup 1,
30 November 2001

Pages: 1
Distribution: F

The OPR for this supplement is 419 CS/SCB (SMSgt Riel). This supplement implements and extends the guidance of Air Force Instruction (AFI) 33-114, 11 July 2000. This supplement describes 419th Fighter Wing (FW) procedures to be used in conjunction with the basic instruction. This supplement applies to all personnel in the wing.

SUMMARY OF REVISIONS

This revision implements office symbol changes due to reorganization and replaces DAA with the spelling of the acronym in para **9.5.2. (Added)** A bar (|) indicates revisions from the previous edition.

9.5.1. (Added) Imaged software and software license documentation that comes with the computer upon receipt will be maintained with the 419th Communications Squadron, in building 508, in a centralized secure location.

9.5.2. (Added) User software and software license documentation that is approved, according to HQ AFRC and/or local designated approving authority standards will be maintained in the unit functional area in a centralized secure location, with appropriate internal management controls to ensure accountability.

WAYNE F. CONROY, Col, USAFR
