Supersedes 926 FWI 23-201, 21 November 1995.

Pages: 3
Distribution: F

This Fighter Wing Instruction (FWI) implements AFPD 23-1, *Requirements and Stockage of Materiel*, and outlines policies and procedures governing the protection, storage and issue of weapons and firearms. It references AFI 31-209, *The Air Force Resource Protection Program*, and AFMAN 23-110, *USAF Supply Manual*, Volume 2 (CD), Part 2, Chapter 2, *Chief of Supply (COS) Organization and Responsibilities*. All Materiel Storage and Distribution Flight (LSS/LGSD) personnel must comply with this instruction.

SUMMARY OF REVISIONS

This revision changes series number; updates language; revises referenced directives; deletes the requirement for LSS/LGSD personnel to annotate serial numbers on Due-Out Releases (DORs) and shipments due to automation; adds the DOD Security Forces as an alternate contact to open armory and deletes the requirement for the DOD Security Forces to conduct surveillances of weapons movement. A (I) indicates revisions from the previous edition.

1. Procedures :

1.1. A Receiving representative will verify serial numbers on weapons with the receiving document obtained from carriers. The following action is required:

1.1.1. Upon receipt, serial numbers of firearms will be verified by a Receiving representative, Inspection representative and/or a Storage and Issue representative. A certification statement will be placed on the receiving document as follows:

I CERTIFY THAT SERIAL NUMBER(S) IDENTIFIED IS/ARE CORRECT

RECEIVING _____ DATE _____

INSPECTION _____ DATE _____

STORAGE AND ISSUE _____ DATE _____

NOTE: The receipt and storage of weapons and firearms will be given the highest priority.

1.2. Immediately after receipt of weapons, LSS/LGSD personnel will coordinate with the Security Forces Squadron (SFS) or DOD Security Forces to open armory. Weapons must be stored in the Weapons Storage Room, Building 204, Room 111.

1.2.1. Weapons movement will be coordinated with DOD Security Forces to obtain escort when required in accordance with the *926th Installation Security Plan*.

1.2.2. Weapons will be stored in the Weapons Storage Room until disposition instructions are received.

1.2.3. Weapons designated for mobility may be stored in suitable containers for permanent or temporary storage. Such containers will be metal-banded twice around the width of the container with numbered seals on both ends. Documentation will be maintained in accordance with applicable directives.

1.2.4. Firearms may be issued to individuals for mobility exercises, on recall to active duty, or for actual deployment. When firearms are issued to individuals, they will be receipted on AF Form 1297, **Temporary Issue Receipt**, and safeguarded by the individual to whom issued.

1.2.5. The 926th Fighter Wing Deployment Plan 10-403, Part 2, Chapter 13, *Small Arms and Ammunition Control*, provides procedures for weapons control during a mobility operation.

2. Access to Weapons Storage Room:

2.1. The SFS Commander has designated, in writing, unescorted entry into the Weapons Storage Room of Building 204 for the following personnel:

- Satellite Chief of Supply
- Management and Systems Officer
- Materiel Storage and Distribution Officer
- Storage and Issue personnel

2.2. When authorized personnel must enter the Weapons Storage Room, a SFS Air Reserve Technician or the DOD Security Forces will be contacted at extension 8-3477/8-3779/8-3303 by one of the designated personnel.

ROBERT E. LYTLE, Colonel, USAFR
