This instruction implements AFD 90-2, *Inspector General—The Inspection System*. It establishes procedures and responsibilities for personnel in HQ AETC directorates and special staffs, AETC numbered Air Forces (NAF), and AETC host installations in support of the Air Force Gatekeeper Program. This publication does not apply to Air Force Reserve Command (AFRC) and Air National Guard (ANG) units. See **Attachment 1** for glossary of references and supporting information. Maintain and dispose of records created as a result of prescribed processes in accordance with AFMAN 37-139, *Records Disposition Schedule* (will become AFMAN 33-322, Volume 4).

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

It deletes the requirement for the AETC Gatekeeper to place a yearly cap on inspection/evaluation-type visits from non-AETC organizations to AETC host installations and to submit an annual cap report to SAF/IG. It also deletes the requirement for gatekeeper POCs at the host installations to track and report all visits to their installations, and to submit quarterly reports to the AETC Gatekeeper.

1. Program Overview:

1.1. HQ AETC, along with other Air Force, DoD, and non-DoD agencies, conducts inspections, evaluation visits, staff assistance visits (SAV), and other types of visits to field units. HQ AETC/IGIX is tasked as the AETC Gatekeeper to monitor, control, and regulate inspection/evaluation-type activities according to the Air Force Gatekeeper Program (AFI 90-201, *Inspector General Activities*). Only visits that are of an inspection nature are monitored, controlled, and regulated under the gatekeeper program. Examples include visits from the Air Force Audit Agency, Air Force Inspection Agency, AETC

Facility Infrastructure Examination Team, and Environmental Compliance Assessment and Management Program Team.

1.2. AETC host installations, numbered Air Forces (NAF), and Air Force Recruiting Service (AFRS) will appoint gatekeeper points of contact (POC) to work with HQ AETC/IGIX and monitor and/or regulate inspection visits.

1.3. AETC organizations planning inspection visits to ANG and AFRC units should coordinate with the National Guard Bureau (NGB) and AFRC gatekeepers, respectively. Coordinate inspection visits to tenant units located on another major command's (MAJCOM) installation with the respective MAJCOM gatekeeper.

2. Roles and Responsibilities:

2.1. HQ AETC/IGIX (hereafter referred to as the AETC Gatekeeper) will:

2.1.1. Monitor all inspection/evaluation-type visits to AETC host installations, Air Force Reserve Officer Training Corps (AFROTC) detachments, and AFRS units to minimize impact, and decrease the visit's "footprint."

2.1.2. Evaluate inspection visit notifications and requests to determine if visits are duplications and, if so, can be consolidated. Work to combine inspection visits with similar goals.

2.1.3. Examine the need for any inspection-type visit and recommend alternatives, if appropriate.

2.1.4. Contact the gatekeeper POC at the AETC host installation with requested visit data.

2.1.5. Work to resolve conflicts between AETC host installation and visiting staff agencies. Reschedule an inspection visit that conflicts with other scheduled inspection visits.

2.1.6. Highlight the existence of a similar inspection-type visit that meets the requested visit's intent.

NOTE: AETC's Gatekeeper may be contacted at HQ AETC/IGIX, DSN: 487-2529/5344, or e-mail: <mailto:aetc.gatekeeper@randolph.af.mil>.

2.2. Personnel in HQ AETC directorates, special staffs, and NAFs planning inspection/evaluation-type visits to AETC host installations will send the AETC Gatekeeper the following information:

2.2.1. Name, phone number, and e-mail address of the gatekeeper POC for their respective organization.

2.2.2. A copy of the proposed inspection visit schedule for the upcoming fiscal year no later than 15 September. This schedule will include the following information:

2.2.2.1. The organization conducting the visit (including the POC's name and phone number).

2.2.2.2. The AETC host unit being visited, visit dates, purpose and frequency, number of personnel traveling to the unit, and total number of man-days for the visit.

2.2.3. Quarterly updates by the 15th of the month preceding the quarter; that is, 15 December, 15 March, 15 June, and 15 September.

2.3. Personnel in HQ AETC directorates, special staffs, and NAFs who are planning inspection visits to an ANG or AFRC unit, or an AETC tenant unit located on another MAJCOM's installation, should coordinate with the NGB, AFRC, or that MAJCOM's gatekeeper to resolve any conflicts. (See

Attachment 2 for a list of addresses and phone numbers of MAJCOM, ANG, and AFRC gatekeepers.)

2.4. Commanders of host installations will appoint a gatekeeper POC and submit his or her name, phone number, and e-mail address to the AETC Gatekeeper.

2.5. Gatekeeper POCs will:

2.5.1. Work to resolve inspection visit conflicts and contact the AETC Gatekeeper to assist in the resolution, if necessary.

2.5.2. Report unscheduled inspection visit notifications from outside agencies to the AETC Gatekeeper.

2.5.3. As available, forward scheduling information to the AETC Gatekeeper on unit activities that could conflict with operational readiness inspections (ORI); for example, open houses, conferences, and deployments. (2 AF wings should send an information copy to 2 AF/DO.)
