This instruction provides the basic information on wearing aeronautical, duty, and occupational badges and implements Air Force Policy Directive 36-29, *Military Standards*. Do not supplement this instruction.

SUMMARY OF REVISIONS

This change incorporates interim change (IC) 2004-1 (**Attachment 1**). This change expands the missile badge award criteria to include 21M and 2W as AFSCs eligible for award of the missile badge (**Table 2**, rule 9 and note 3). See the last attachment of the publication, IC 2004-1, for the complete IC. A bar (|) indicates revision from the previous edition.

1. Functional Responsibilities:

- 1.1. Chief, Military Personnel Flight (MPF). Assigns an office within the Customer Support Section to be the Office of Primary Responsibility (OPR) for this instruction.
- 1.2. Unit Commanders. Ensure individuals within their unit whom they administratively disqualify do not wear the occupational badge.
- 1.3. Office of Primary Responsibility for Miscellaneous Badges. OPRs of miscellaneous badges are listed in AFI 36-2903, *Dress and Personal Appearance of Air Force Personnel*, and issue criteria for these badges.

2. Wear Procedures. Refer to AFI 36-2903 for specific guidance on wearing badges. See **Attachment 1 (Figure A1.1)** for a display of aeronautical and occupational badges.

3. Aeronautical Badges. Refer to AFI 11-402, *Aviation and Parachutist Service, Aeronautical Ratings and Badges*, for specific award criteria.

4. Duty Badges. Refer to **Table 1** for listing of issuing organizations and their duty badges.

5. Occupational Badges. Refer to **Table 2.** for a listing of officer and enlisted Air Force Specialty Codes (AFSC) and their occupational badges:

5.1. General Officers. Wear the basic badge, representative of the organization's mission, upon entering a headquarters staff or command position, unless previously qualified for a higher level badge. Wear the next higher level badge after 12 months. Continue to upgrade to next higher level every 12 months.

5.2. Officers. Wear the basic badge after graduating from technical school (or after attaining a fully qualified AFSC when technical school is not required). Wear the senior badge after 7 years in the specialty and the master badge after 15 years in the specialty. **EXCEPTION:** Medical Service officers' time in specialty will include any constructive service credit awarded at the time of appointment. Officers may verify their constructive service credit to determine eligibility for award of badges by contacting HQ AFPC/DPAMU, 550 C Street West Suite 27, Randolph AFB, TX 78150-4729.

5.3. Enlisted. Wear the basic badge after completing technical school. Wear the senior badge after award of the 7-skill level, and the master badge as a master sergeant or above with 5 years in the specialty from award of the 7-skill level. **EXCEPTION:** Chief Master Sergeants crossflowed into a new CEM Code wear the basic badge of their new career field upon award of the CEM Code, the senior badge after 12 months, and the master badge after 5 years.

5.4. Transition Period. Occupational badges listed in **Table 2.** column C, are obsolete effective 1 October 1998. Those wearing the senior and master badges continue to maintain that level on the new occupational badge listed in **Table 2.** However, effective 1 October 1994, stars and wreaths are "earned" on new badges only.

5.5. Retraitees. Credit toward new badges starts upon entry into new AFSC. **EXCEPTION:** Officers who formerly served as enlisted members may wear the awarded occupational badge for the career field in which they served as an enlisted member.

5.6. When Performing Special Duties or Attending Professional Military Education. Wear primary AFSC occupational badge. Upgrade to the next higher level badge is awarded in accordance with paragraph **5.3.**

NOTES:

1. If both the command and control and weapons director badges have been earned, subsequent levels can be earned toward one badge only.
2. Director of Operations, HQ Air Force Space Command approves qualifying space operations specialties for sister and allied service members and wear authorization for allied service members. Army and Navy Space Commands approve wear authorization for their respective service members.
3. Guidelines for wear of the Space/Missile Badge and Missile Badge with Operations Designator.
 - The Space/Missile Badge is worn by all officers in the 13A and 13S Career Fields. Additionally, the Missile Badge with Operations Designator is worn by officers who have served or are serving, in the Missile Operations area (13SXC).
 - Subsequent levels of the Space/Missile Badge are earned while serving in the 13AX or

13SX AFSC, or while serving as a Space or Missile Wing/Operations Group Commander or deputy.

-- Higher levels of the Missile Badge can only be earned while serving in the subsequent 13SXC or 13S4 AFSC, or while serving as a Missile Wing/Operations Group Commander or deputy.

-- USCINCSpace, USCINCSSTRAT, and AFSPC/CC are authorized wear of the Master Space/Missile Badge upon assumption of their position. USCINCSSTRAT and AFSPC/CC are authorized wear of the Master Missile Badge with Operations Designator upon assumption of their position. Not authorized for wear when no longer holding these positions unless it was previously earned.

4. Officers in AFSC 20, Logistics Commander, 21LX, Logistician, and 30, Support Commander, wear the highest badge the individual was awarded in the Logistics or Support career areas. If the individual was not awarded a Logistics or Support badge, wear the highest badge they were awarded from the previous career area.
5. Explosive Ordnance Disposal (EOD) members wear the EOD badge.
6. Effective 1 November 1996, officers in AFSCs 37AX (Information Management), integrated into the Chief, Mission Support; Personnel career field (36XX), wear the Manpower and Personnel badge at the same level (basic, senior, master) as worn on previous 37AX badge. Additionally, officers in AFSC 37XX, who crossflowed into 36XX prior to 1 November 1996, may use that time to upgrade to the next higher-level badge in accordance with paragraph 5.2.
7. To qualify for the missile badge, individuals must have met all criteria outlined in paragraph 5., met time requirements in its entirety, to include the following:

-- Munitions and Missile Maintenance Officers who do not attend Missile Maintenance Officers course, must directly supervise 2M/2W personnel in maintenance, loading or unloading of guided missiles or missile systems for a period of 12 months after completion of Munitions Maintenance Officers course in order to wear the basic badge. Subsequent levels will be IAW paragraph 5.

-- 2W personnel must directly work with guided missiles or missile systems for a period of 12 months after completion of technical training school in order to wear the basic badge. Subsequent levels will be IAW paragraph 5.
