SUMMARY OF REVISIONS

This checklist has been revised to update references and Inspection philosophy. A bar (|) indicates a revision from the previous edition.

1. References are provided for each item. Critical items have been kept to a minimum and are related to public law, safety, security, fiscal responsibility, and/or mission accomplishment.
2. This publication establishes a baseline checklist. The checklist will also be used by the Command IG during applicable assessments. Use the attached checklist as a guide only. AFSPC Cecklists will not be supplemented. Units may produce their own standalone checklists as needed to ensure an effective and thorough review of unit programs. Units are encouraged to contact the Command Functional OPR of this Checklist to recommend additions and changes deemed necessary. See [Attachment 1](#).
