This supplement implements and extends guidance of Air Force Manual (AFMAN) 23-110V2PT2CH12, ***Due-Out/Release/Cancellation/Validation***. This supplement describes AFSPC's procedures for use in conjunction with the basic AFMAN. It applies to all AFSPC activities operated or supported by the USAF Standard Base Supply System (SBSS). This supplement does not apply to Air Force Reserve Command and Air National Guard units.

**12.16.4.2. (Added) Exception :** For all UND C request, within one week of providing the validation product to the organization, Stock Control will follow-up with all those organizations who have not provided a response and inform them that they have 10 days to validate their due-outs. Stock Control will also inform them that their due-outs will be cancelled if they fail to provide the required information within this timeframe. Follow-ups will be accomplished by Customer Service for bases operating under the regionalized concept.
