AFI 34-219, 1 August 1997, is supplemented as follows:

1.1.2. In accordance with Florida state law, no person under the age of 21 may purchase, attempt to purchase, or consume alcoholic beverages. No person may provide alcoholic beverages to any person under the age of 21.

1.4.5. Curtailing alcohol and drug-influenced incidents must be of primary concern to all Services management and staff who sell or dispense alcoholic beverages. Dram shop is a theory of legal liability under which servers of alcoholic beverages (facility owner, operator, or employee) can be held liable for damages when they continue to serve alcoholic beverages to a customer who reaches or appears to be nearing the point of intoxication and the customer then brings harm to property, the customer, or others. Management and staff must be alert to prevent individuals from driving who are or appear to be intoxicated. Every available effort will be made to provide or obtain transportation and prevent these individuals from driving. Activity managers are responsible for promptly reporting any incident that may result in a potential claim to Services. The Air Force designated driver program will be actively publicized. Personnel who dispense alcoholic beverages will receive annual training on the Air Force Deglamorization Program.

2.1. The 6th Services Squadron is authorized to sell alcoholic beverages by the drink or in single-serving containers at the following locations during their normal hours:

- Officers' Club
- Enlisted Club and Marina Bay Snack Bar
- Bowling Center
- Golf Course
- Marina Recreational Area
- Lodging Facilities

2.1.6. Alcoholic beverages may also be consumed in base facilities as follows:

- Officers' Quarters
- Enlisted Quarters
- Coon's Creek Recreational Area and FAMCAMP
- Temporary Lodging Facilities
- Dormitories
- 6th Services Squadron sponsored events, such as air shows and other base-wide events
- Other areas where special functions are conducted on a case-by-case basis, and when beverages are sold and dispensed by an authorized Services activity

3.2. Services activities may sell beer, wine coolers, and alcoholic beverages with less than 7 percent alcoholic content for off-premises consumption during periods when Army and Air Force Exchange Service (AAFES) operated retail outlets are closed. Ensure prices are at or above AAFES merchandise prices.
