---

This instruction establishes policies, procedures, and responsibilities to standardize the operation and administration of the FAMCAMP. It applies to all members of the FAMCAMP staff, military and civilian, part-time and full-time employees or volunteers, and all patrons of the FAMCAMP. This publication is affected by the Privacy Act of 1974. Each form that is subject to the provisions of *AFI 37-132, Air Force Privacy Act Program*, and required by this publication contains a Privacy Act Statement in the body of the document. Authority for maintenance and collection of these records is 10 U.S.C. 8013 and E.O. 9397.

**SUMMARY OF REVISIONS**

This instruction was revised to comply with *AFI 37-160, Volume 1, Air Force Publications Management Program*.

**1. Eligibility.** Active duty and retired military members, DOD civilian employees, and their dependents and guests are authorized to use the Scott Lake FAMCAMP.

**2. Responsibilities:**

2.1. The Director of Outdoor Recreation is responsible for the management and operation of the FAMCAMP.

2.2. The Outdoor Recreation/Recreation Equipment Checkout staff is responsible for taking reservations, assigning campsites, and collecting user fees. The Scott AFB Form 5, **FAMCAMP Application**, is used by the staff to register visitors and collect user fees at the end of their stay.

2.3. The FAMCAMP maintenance person or the Outdoor Recreation/Recreation Equipment Checkout staff is responsible for cleaning the latrine facilities, restocking of necessary restroom/shower items, and the grounds upkeep.

2.4. The Outdoor Recreation/Recreation Equipment Checkout staff will check receipts in the windows of recreational vehicles using the facility. They will advise any person without a valid permit card to leave the area and report to Outdoor Recreation/Recreation Equipment Checkout between 0800 and 1600 daily (except November through March (closed Sunday) when winter hours are in effect) to pay their fees and obtain a permit.

### 3. Operation:

3.1. FAMCAMP rules will be posted and adhered to by FAMCAMP patrons. No changes in rules or hours of operation will be made without the approval of the 375th Services Squadron Commander (375 SVS/CC).

3.2. The operation of the FAMCAMP area will be monitored by the 375th Services Squadron with the assistance of the 375th Civil Engineer Squadron for maintenance, utilities, and refuse collection.

3.3. Personnel will be on duty at Outdoor Recreation/Recreation Equipment Checkout during operating hours to register all incoming patrons. After duty hours, patrons will be required to register early the next day to alleviate assigning two people to the same location. The Security Police will direct all personnel to Outdoor Recreation, Bldg 855.

3.4. Reservations will be accepted in advance. All reservations must be accompanied by a deposit to cover the first night's stay at the campground. Campsites will also be issued on a space-available basis.

3.5. Campers canceling reservations and those failing to check in by 2200 on their first day of reservation will forfeit their deposit, unless there are extenuating circumstances; i.e., illness, military commitments, etc. Cancelled reservations and/or failing to check in by 2200 will result in the spot being issued to someone else.

3.6. Refunds will not be made to campers departing the campgrounds earlier than planned, unless there are circumstances beyond their control; i.e., family illness or death in the family, or military commitments that require the person to return to duty.

3.7. The sponsor will be responsible for registering at the Outdoor Recreation/Recreation Checkout upon arrival, cleaning up the area used, and for the behavior of dependents and guests.

3.8. Use of this area is restricted to campers only. Occupancy of a campsite will be limited to a 30-day period, with an option to extend from day to day, provided no waiting list exists. Campers will be given keys to the restroom/shower facility.

3.9. Camping fees will be established by the NAF Council and approved by the Installation Commander.

3.10. Radios, TVs, stereos, and similar equipment will be turned down to a low volume after 2300 in order not to disturb other campers.

3.11. Pets will be kept on a leash in the campground area at all times.

3.12. Fires will be permitted in barbecue grills only.

3.13. An information brochure will be available for each patron.

3.14. Check-out time on the day of departure is 1100.

### 4. Safety Precautions:

4.1. The applicable portions of *Scott AFB Regulation 92-1, Fire Protection Program*, will be adhered to at all times. A copy will be posted in the latrine facilities.

4.2. Applicable safety precautions with regard to each camping site and its relationship to others will be the subject of frequent inspections to ensure maximum safety conditions.

5. Form Prescribed: SAFB Form 5.

TERRANCE J. YOUNG, Lt Col, USAF  
Commander
