Distribution: F

AFI 10-2501, 24 December 2002, is supplemented as follows: The following are needed to address specific responsibilities at the United States Air Force Academy (USAFA) under the Full Spectrum Threat Response (FSTR) program.

1.3. Refer to USAFA FSTR Plan 10-2, *Full Spectrum Threat Response Plan*, for specific actions to take during enemy attacks, natural disasters, major accidents and Weapons of Mass Destruction (WMD) incidents.

2.5.2. Disaster Control Group (DCG) composition is listed in USAFA FSTR Plan 10-2.

2.17.1. FSTR Representative should be a grade level of E-5 (or civilian equivalent) or above for primary, and an E-4 (or civilian equivalent) or above for alternate. The following units are required to have FSTR Representatives identified in writing to the 10th Civil Engineer Squadron, Emergency Management Division (10 CES/CEX): Headquarters (HQ) USAFA Dean of Faculty (HQ USAFA/DF); HQ USAFA Preparatory School (HQ USAFA/PL); 10th Air Base Wing (10 ABW); 10th Medical Group (10 MDG); 10th Mission Support Group (10 MSG); 10th Civil Engineer Squadron (10 CES); 10th Mission Support Squadron (10 MSS); 10th Security Forces Squadron (10 SFS); 10th Services Division (10 MSG/SV); 10th Communications Squadron (10 CS); 34th Training Wing (34 TRW); 34th Training Group (34 TRG); 34th Operations Group (34 OG); 34th Education Group (34 EDG); 94th Flying Training Squadron (94 FTS); 50th Education Squadron (50 ES); 34th Operations Support Squadron (34 OSS); 98th Flying Training Squadron (98 FTS); 34th Training Squadron (34 TRS); 557th Flying Training Squadron (557 FTS).

2.17.1.1. (Added) Submit a copy of USAFA Form 11, **Unit Full Spectrum Threat Response (FSTR) Report**, by the fifth duty day after the end of each reporting period. Reporting periods are 01 January - 31 March, 01 April - 30 June, 01 July - 30 September, and 01 October-31 December.

2.17.1.2. (Added) Establish and maintain a FSTR Handbook as outlined in **Attachment 9 (Added)**, this supplement.

2.17.3. Checklists will be submitted to 10 CES/CEX within 30 days of development or revision, and must be approved prior to implementation.

4.3.5. Not required at USAFA.

5.1. See USAFA FSTR Plan 10-2, Annex A.

6.1. See USAFA FSTR Plan 10-2, Annex B.

7.1. See USAFA FSTR Plan 10-2, Annex D.

8.3.1. The 10th Mission Support Group Logistics Readiness Division (10 MSG/LGR) is the focal point for storing, maintaining and issuing individual protective equipment for mobility forces.

9.11.1. Readiness Support Team (RST) members should not be assigned to conflicting duties. Each trained RST member will not be relieved of duty for reasons other than permanent change of station, permanent change of assignment, separation or medical disqualification until a replacement has been identified in writing to 10 CES/CEX and trained. Any removal from this team for any other reason must be approved by the 10th Air Base Wing Vice Commander (10 ABW/CV).

10.3.1. Criteria from the base Exercise Evaluation Team (EET), Headquarters USAFA Inspector General's office (HQ USAFA/IG), will be used to evaluate Academy exercises in accordance with (IAW) USAFAI10-204, *Exercise Program*.

12.1. See USAFA FSTR Plan 10-2.

14.1.2. The AFVA10-2510, *Air Force Emergency Notification Signals*, will be posted conspicuously on unit bulletin boards, accessible to all personnel.

14.3.1. The Warning and Notification Systems Office of Primary Responsibility (OPR) for weather related incidents is the 34th Operations Squadron, Weather (34 OSS/OSW) during duty hours and the 25th Operational Weather Squadron, Davis-Monthan Air Force Base, Arizona, during non-duty hours. All other events requiring activation will be completed by the 10th Air Base Wing, USAFA Command Center (10 ABW/CP). When activated, the Crisis Action Team (CAT) members will advise their unit control centers of each change of condition. Existing communication capabilities will be augmented by runners, as conditions dictate.

14.3.3. Testing of the automated notification system, and base siren will be done once a month IAW USAFA Plan 10-201, *Protection of Personnel and Property*.

Chapter 15 (Added)**INFORMATION COLLECTIONS, RECORDS, AND FORMS.****15.1. (Added) Information Collections, Records, and Forms.**

15.2. (Added) Information Collections. No information collections are created by this publication.

15.3. (Added) Records. Maintain and dispose of records created as a result of prescribed processes in accordance with AFMAN 37-139, *Records Disposition Schedule* (will convert to AFMAN 33-322, Volume 4).

15.4. (Added) Forms.

15.4.1. (Added) Forms or IMTs Adopted. No forms were adopted by this publication.

15.4.2. (Added) Forms or IMTs Prescribed: USAFA Form 11, **Unit Full Spectrum Threat Response (FSTR) Report**

USAF A Plan 10-201, *Protection of Personnel and Property*

Abbreviations and Acronyms

CAT—Crisis Action Team

IAW—In accordance with

DAC—Disaster Assistance Center

USAF A—United States Air Force Academy

HQ—Headquarters

Terms

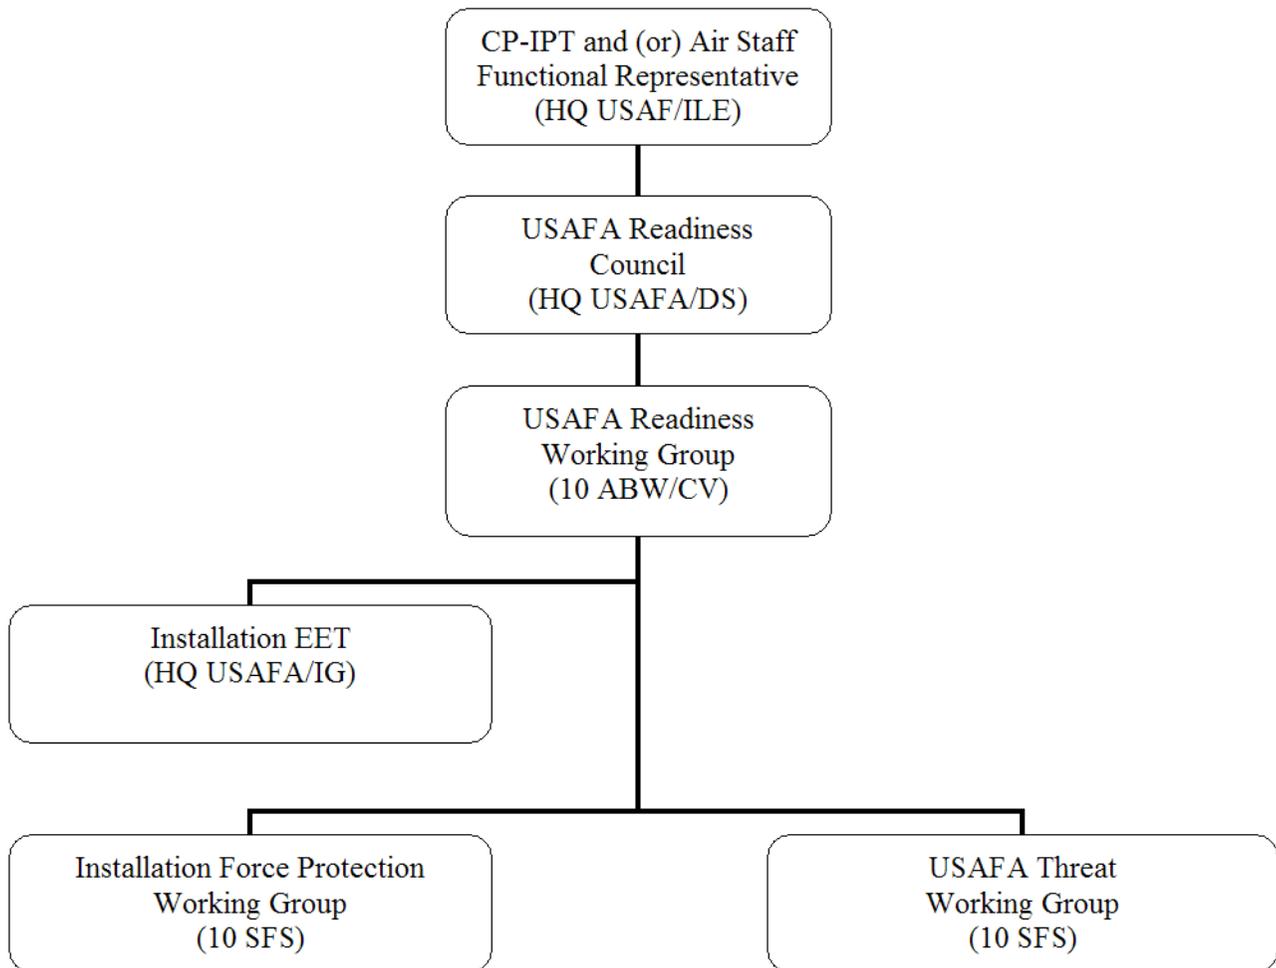

Contingency Support Staff (CSS), Disaster Support Group (DSG) and the Survival Recovery Center (SRC)—These command team requirements are satisfied through the USAFA CAT. The CAT will stand up during any natural disaster, major accident, or enemy attack, as directed by the 10th Air Base Wing Commander (10 ABW/CC).

The Disaster Assistance Center (DAC)—Provides support to military members and their families during and in the aftermath of disaster. It focuses on informational, financial, and emotional needs. The Family Support Center will take the lead in establishing the DAC with assistance from 10th Mission Support Group Services office (10 MSG/SV), 10 CES/CEX, HQ USAFA Financial Management office (HQ USAFA/FM) and 10th Aerospace Medicine Squadron, Public Health office (10 AMDS/SGPM).

Attachment 9 (Added)**UNIT FSTR HANDBOOK FORMAT****SECTION A (Added)--USAFA Form 11**

Maintain copies of the USAFA Form 11, **Unit Full Spectrum Threat Response (FSTR) Report**, submitted for the past 12 months.

SECTION B (Added)--Publications and Checklists

Maintain the following publications, as required.

AFI 10-2501, *Full Spectrum Threat Response (FSTR) Planning and Operations*, as supplemented.

AFMAN 10-2602, *Nuclear, Biological, Chemical and Conventional (NBCC) Defense Operations and Standards*

AFH 10-2502, *USAF Weapons of Mass Destruction (WMD) Threat Planning and Response Handbook*
USAFA FSTR Plan 10-2, *Full Spectrum Threat Response Operations Plan*.

AFMAN 32-4004, *Emergency Response Operations*, as supplemented (units with DRF elements).

Applicable Technical Orders (T.O.) for equipment maintained by the unit.

Maintain copies of the following checklists, as required:

Disaster Control Group Representative

Contamination Control Team

Shelter Management Team

Unit Control Center

SECTION C (Added)--Training

Maintain a copy of the Emergency Management Division Training Schedule.

Maintain materials used for quarterly Full Spectrum Threat Information Program training such as: Quarterly Readiness Newsletters, handouts, briefings and posters.

Maintain documentation of all unit training, Automated Tracking Printouts, etc.

SECTION D (Added)--Unit Self-Inspection and Staff Assistance Visit

Maintain a copy of the current FSTR self-inspection checklist. Incorporate this checklist into the unit's self-inspection program.

Maintain a copy of the last two self-inspection reports concerning the unit FSTR program and copies of corrective action replies.

Maintain a copy of the last Staff Assistance Visit report and copies of corrective action replies.

THOMAS F. HAYDEN III, Colonel, USAF
Commander, 10th Civil Engineer Squadron
