DEPARTMENT OF THE AIR FORCE
HEADQUARTERS AIR FORCE COMMUNICATIONS AGENCY (AFCA)
SCOTT AIR FORCE BASE, ILLINOIS

MAR 27 2006

MEMORANDUM FOR AFDPO

FROM: HQ AFCA/EV
203 W. Losey St. Rm. 2100
Scott AFB IL 62225-5222

SUBJECT: Certificate of Networkiness (CoN) for Information Management Tool (IMT)
Version 6.5

References: (a) System Security Authorization Agreement (SSAA), 07 Feb 06
(b) Approval to Operate (ATO), 02 Mar 06 (expires 02 Mar 09)

1. IMT version 6.5 is compliant with Air Force policy and is hereby issued Certificate of Networkiness (CoN) number CoN0-CTT00057-200306-00-0.
2. A desktop assessment determined the overall risk rating for IMT version 6.5 is low and does not adversely impact the security, network compatibility, and interoperability of the Air Force Terrestrial, Air, and Space Communications Network.
3. There are no ports, protocols, and services (PPS) associated with this system version that traverse any Air Force enclave boundary.
4. This does not preclude the mandatory DoD requirement for development and maintenance of the System Security Authorization Agreement (SSAA) and the Information Support Plan (ISP). IAW AFI 33-202, the applicable site, network, or system SSAA must be developed or updated to reflect this implementation.
5. This CoN is for this version only. The Program Manager must notify the POC below of any subsequent releases or changes to the system's security, interoperability, or sustainability to determine if a new networkiness assessment is required.
6. My POC for IMT is MSgt Melina Whitted, HQ AFCA/EVSC, DSN 779-5564 or e-mail: afca.evsc@scott.af.mil.

A handwritten signature in black ink, appearing to read "David D. Morton".
